

37.5® Insulator Vest

An all-purpose insulator vest that makes a great companion in both cold and mild weather conditions. Combining the innovative 37.5® technology with warming insulation, the vest works both as a mid- and outer layer.

Versatile insulator vest suitable for everyday use in various environments. The insulated vest is designed to offer reliable protection in cold climates and features 37.5® technology for enhanced moisture management. In addition, the vest is built with stretch fabric to ensure flexibility and ease of movement.

- 37.5® technology for enhanced moisture management
- Stretch panels
- Insulation for extra warmth in cold environments
- Water repellent

Size XS-XXXL

Color Black\Black - 0404
 Navy\Black - 9504

Material

Main: 100% Polyamide 67 g/m². Contrast: 90% Polyester 10% Elastane 220 g/m². Isolation: 50% 37.5® Polyester, 35% Repreve® Polyester, 15% Polyester 60 g/m².

In fabrics with 37.5® technology, patented natural active particles permanently embedded at the fibre level capture and release moisture vapour. The REPREVE® fiber, which is made from recycled materials, help us reduce our climate footprint without compromising on the strength or performance of the products.

Care

 Machine wash 40 degrees C

 Do not bleach

 Do not tumble dry

 Do not iron

 Do not dry clean
