

T-shirt

Soft and lightweight t-shirt made of 100% recycled polyester that offers great function and comfort during everyday use.

All-round t-shirt that provides a smooth touch and efficient moisture transport to keep you dry, fresh and comfortable during everyday use. The t-shirt is made of 100% recycled, functional polyester and comes with a biobased anti-odor finish. For even more comfort, the garment features flatlock seams and inside neck print. A clean design provides lots of space for profiling.
